Police solve 3 burglaries

**1 adult, 3 teens
are arrested here**

Antioch police solved three burglaries in the last week, including the capture of a 23-year-old man inside of Sorenson's Bait Shop.

Robert D. Letkey of 478 Lake St. was found hiding inside the bait shop, police said. He already was on probation for previous burglaries, they said, and now is in the county jail awaiting \$7,500 bond.

The other burglaries involved three teenagers, a 16 year old Antioch boy and two rural Antioch lads who live in Wisconsin, one 16 years old and the other 15.

ASSISTANT POLICE CHIEF Charles Miller said "a conscientious citizen called very early Friday morning and reported that two youths apparently were tampering with the Knights of Columbus beer van parked in a downtown lot for Maxwell Street Days."

Officers Robert Lange and Stan Revell responded and located the youths.

They were then interrogated by Sgt. Tom Fisher, assisted by officer Charles Watkins, and charged with burglary.

Fisher said through the investigation the police obtained enough evidence to start juvenile court proceedings. The questioning also led to the arrest of the third youth and the three are being charged with the July 29 burglary of the Antioch Deli store on Lake St.

THE BAIT SHOP BURGLARY was discovered by police when a silent alarm went off. Fisher and officer Ron Allen secured the building while officers Lange and

Burglaries

Continued from page 1

Walter Mitchell went inside. They had noticed a broken window, indicating someone had gained entry.

The police said they found Letkey hiding among some clothing in the back room of the shop.

In another incident, Bruce McKoy of Rt. 1, Antioch, woke Saturday morning and found a burglar and a fire in his kitchen. Clothing and a kitchen chair were burning and the surprised intruder ran out of McKoy's back door.

McKoy threw the chair and burning clothes outside, chased the man down the street, then reported the incident to Lake County sheriff deputies.

According to the report, entry to McKoy's home was through the back door. Screws on the door's lock had been pulled loose. A wrist watch valued at \$50 was missing, McKoy said.

He estimated damage to the clothing at \$200 and to the chair at \$25. Also, a wooden railing outside the house was knocked down when the intruder fled. McKoy could not describe the man, deputies added.

FFF group celebrates first year

The first anniversary party of the Fun, Food and Friendship center will be remembered for a long time by all who attended.

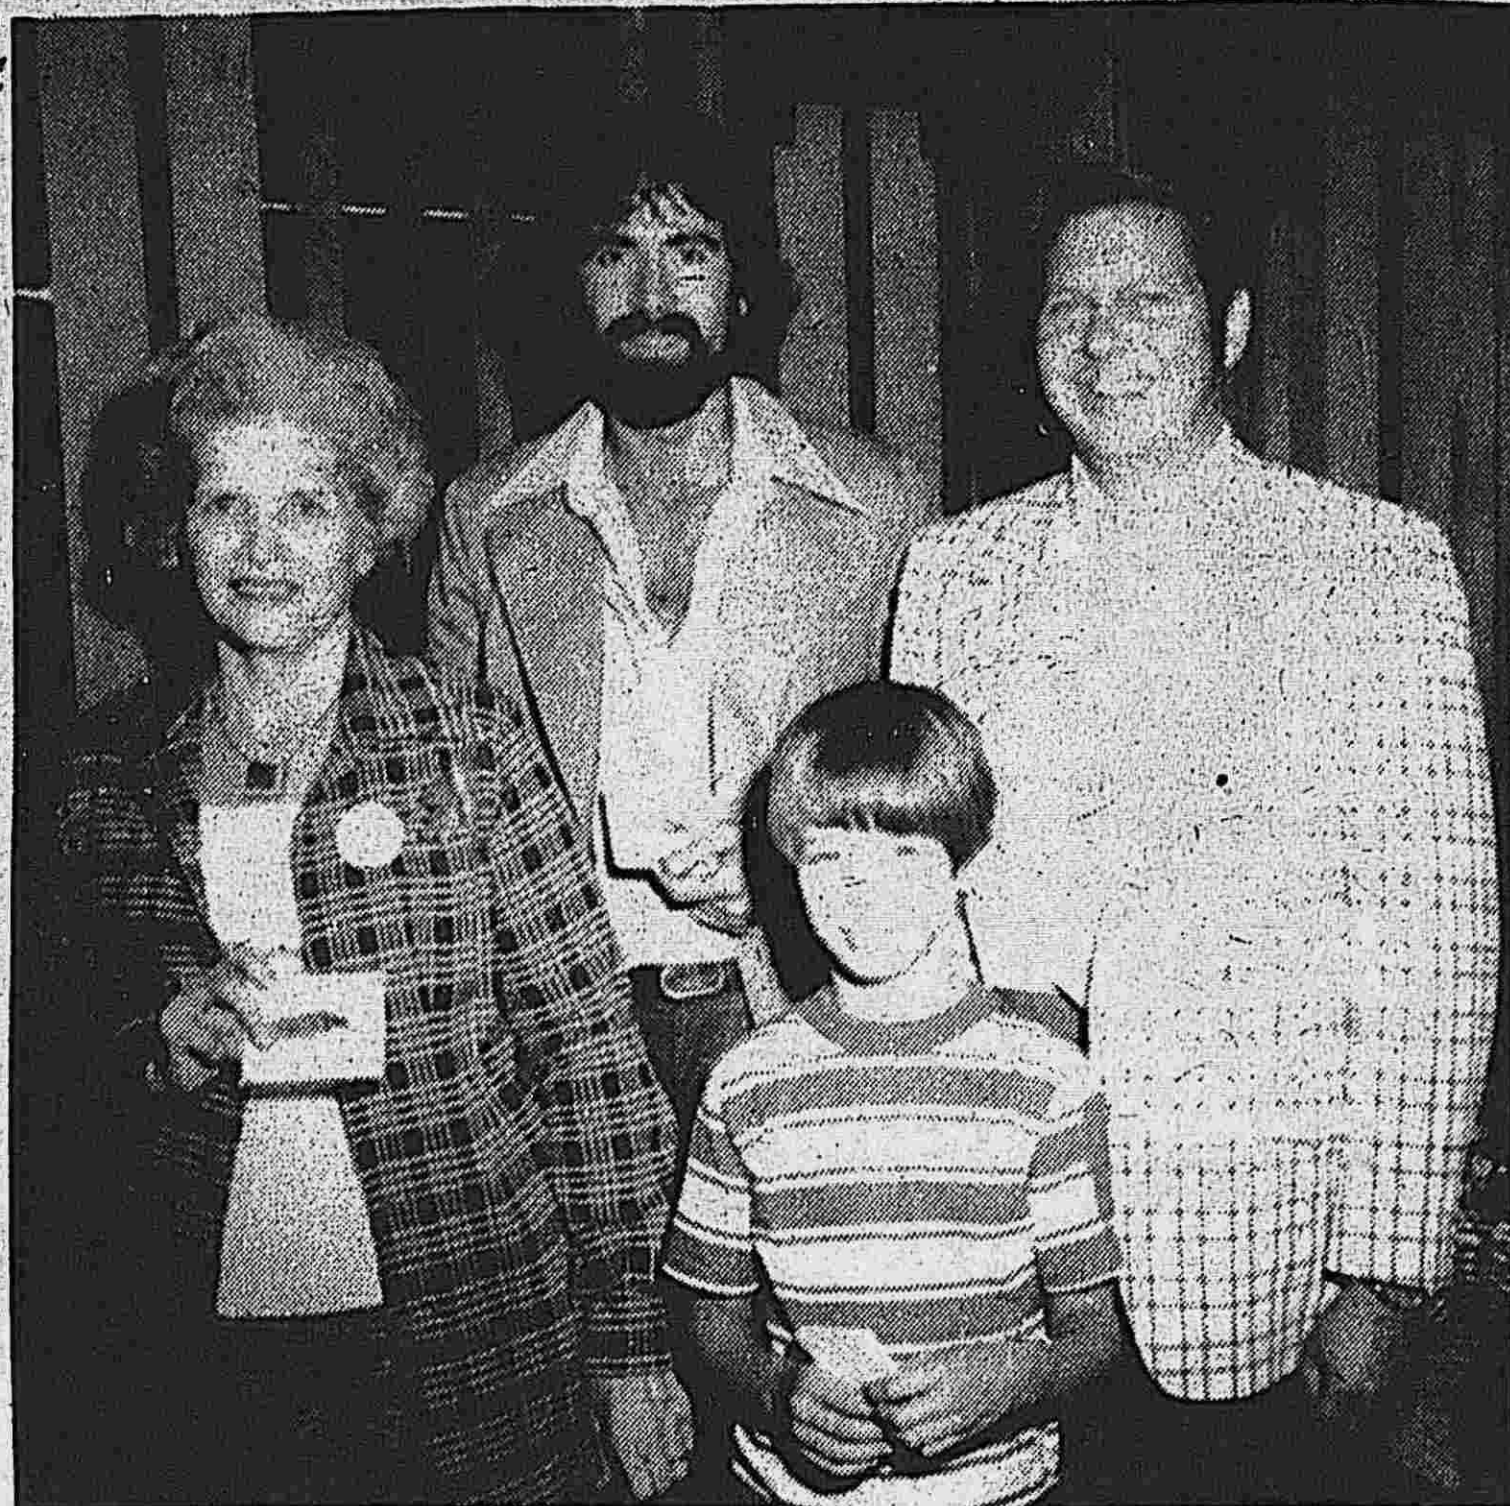

It's lucky we were still at the school because we would never have fit into the Scout house. We wish to thank the banks and the merchants of Antioch for all the gifts and door prizes.

The music and dancing made everyone feel young again. The decoration, flowers and prizes had to be seen to realize the talents that our ladies possess.

Ida Wysoglad, the co-ordinator, was presented with a beautiful corsage and gift certificate as a small token of thanks for the wonderful job she is doing. Certificates and nameplates were awarded to the volunteers for the work they have done, based on the hours they have donated to the center.

Names in the NEWS

Lewis University of Lockport has announced its Dean's list for the 1977 spring semester. Kathleen Laursen of 795 N. Main St., Antioch, was named to the honor list in the College of Nursing.

THE STATE BANK OF ANTIOCH celebration of Maxwell Street Days was a memorable occasion for three winners in the State Bank "Guess the Number of Tootsie Rolls" contest. Fifty dollar savings account winners, in three separate age categories, who came closest to guessing the actual number of 1,693 Tootsie Rolls in the display jar are shown with James M. Swiatek (right) executive vice president of the bank. From left to right, Ida Wysoglad, 163 5th Ave., Antioch, the "senior winner" guessed 1,777; adult winner Robert Lemke, P.O. Box 65, Antioch, guessed 1,651 and junior winner David Case, Tiffany Rd., Antioch, guessed 1,682 Tootsie Rolls. Mrs. Wysoglad donated her savings account prize to the senior citizens' Fun, Food and Friendship Social Center at the Scouthouse in Antioch.

Protect what you've put into your life

Most men think about life insurance when they first start a family.

But the older your family gets, the more you need life insurance—and the more life insurance you need.

The cost of living and children's financial needs grow with time. If your wife was suddenly left alone it would be tough for her to provide for your family.

So if life insurance was a good idea 20 years ago, it's an even better idea to call your Country Companies agent and review your life protection today.

Commentary

Mosquito control is our job, too

The third and final phase of the mosquito control program is now underway in Antioch by the Clarke Outdoor Spraying Company.

The treatment of all potential mosquito breeding areas is being applied by helicopters and the first of several late-summer adulticiding treatments has been started and will continue at 10-day intervals to break the encephalitis transmission cycle.

"With the implementation of the mosquito control program, Antioch is being well prepared and organized just in case the mosquito-borne disease, St. Louis Encephalitis, threatens to strike its residents," Gary Sindelar of the Clarke firm said.

In mid-July the Illinois health department issued an early warning to local officials to step up mosquito abatement efforts in the wake of virus findings within birds in Illinois.

It was pointed out that the adult female mosquitoes bite birds such as pigeons, robins, sparrows and domestic ducks, which carry the St. Louis Encephalitis virus. The mosquito then transmits the virus from the infected bird to man.

"LARVICIDING AND ADULTICIDING, as carried out here, gives the best assurance that the mosquito population is mostly eliminated and that the surviving mosquitoes are too young to cause an outbreak of St. Louis Encephalitis," Sindelar said.

Even with such program as the Clarke company is engaged in, the cooperation of residents is needed to make their community virtually mosquito-free.

As much as 10 percent of a community's mosquitoes may come from backyard mosquito-breeding areas. Any standing water that accumulates around your home must be removed. Rain gutters, old tin cans, flower pots, toys, and old tires should be emptied of all water.

Backyard pools should be attended by a responsible individual.

Any standing water draws the mosquito crowd and becomes a potential breeding site for Culex Pipiens, the known vector of St. Louis Encephalitis.

"MOSQUITO HOT-LINE" is the name of the Citizens Response System installed by the Clarke company answer questions relative to any mosquito control program.

Call can be made at any time, 24 hours a day, by dialing Clarke's toll-free number, 800-942-2555.

Mailbox vandalism

Antioch rural mailboxes are being vandalized at an alarming rate, postal officials said this week.

If your mailbox is damaged, notify the Lake County sheriff, or if you live in Wisconsin, call the Kenosha County sheriff, the post office said.

If mail has been stolen, report it to the postmaster in Antioch, phone 395-0097. Mail theft is a federal offense and is punishable by a severe fine and imprisonment.

Please warn children that they must not touch mailboxes or mail other than your own. This precaution may save them from innocently playing near mailboxes and opening them while not realizing it is wrong to do so.

If you see anyone tampering with a mailbox, call the Postmaster to report it.

Tom Haley, a member of the Antioch Rescue Squad, was going to select the winning ticket at the Lions Club Picnic Sunday.

The winner would receive his choice of a Chevrolet Nova, a Ford Maverick, a Dodge Aspen or a Pontiac Ventura ... or \$2,500 in cash.

But Brad Ipsen, who was in charge of the Lions' car raffle, had Earl Stringer call off the winner's name.

It was Tom Haley.
"I was standing right next to Tom when his name was called," said Brad. "At first, I don't think he believed it. Tom was on cloud 9, I'll tell you that. I still don't think he has decided which prize he'll take."

ANOTHER BIG WINNER at the picnic was Keith Bolton, former Antioch High School basketball star. Keith won a trip for two to the Bahamas for himself and his wife.

Finally, the perfect pet

By JERRY PFARR

Everyone should have a pet that obeys as well as the one owned by John Dupre of 760 Main St. in Antioch.

When John says "stay" it stays. When he says "sit" it sits. It also "plays dead."

Of course, it's a pet rock. Some people think it looks a little bit like a dog. (The picture doesn't do justice to this resemblance because I took it, and I'm not a very good photographer.)

But since it kind of looks like a dog, John keeps it chained to a post outside his apartment and, of course,

John Dupre and his pet rock.

provides his pet with a fresh bowl of water. (Rocks get thirsty just as we do, Charlie.)

ACTUALLY, JOHN DUPRE'S rock is bigger than most pet rocks. That's because it's a fossil from the heart of the Everglades in Florida.

Being a friendly pet, it has adapted to Antioch with ease. Never, says John, has it complained about not being back home in Florida. Not even in the winter.

It is very important, you know, that a pet rock learn to obey the command "Stay!" You don't want it wandering around while you are shopping for groceries. Surprisingly, most rocks have no difficulty learning this command and respond obediently the first time they hear it.

Unfortunately, though, pet rocks have tremendous difficulty learning the command, "Come!" It is a rare rock indeed that will leap into its master's arms.

THE COMMAND, "SIT!" is not a difficult one to teach a pet rock. After you say "Sit!" you slowly walk away and hide in another room. From time to time you peek in to make sure your rock hasn't moved.

If it lies down, when it should be sitting, storm into the room and shout, "Bad Rock! Bad Rock!" Your pet rock will know it has displeased you and will return to the sitting position. It will also know who's the boss.

But every once in a while you should praise your rock and give it a gentle, reassuring hug. All pets need affection.

A healthy rock is a happy rock, everybody knows that. With a little practice you can tell whether your rock is feeling good or bad. Study these pictures for a while and you'll see what we mean.

A rock in perfect health.

A rock in obvious distress.

"Shake hands?" Don't be ridiculous. You can't teach a rock to shake hands.

TO TEACH YOUR PET ROCK to fetch, throw a stick or ball as far as you can. Then throw your pet rock as far as you can. But rarely, if ever, will your rock return with the object.

But that's the way it goes.

A newspaper dedicated to people marching to their own drummers.

JENNIFER BELLUCCI

Qualifies for U.S. pageant

A 15-year-old Antioch girl will be going to Lake Charles, La., late in August to compete in the Miss U.S. Teen Pageant.

Jennifer Bellucci, the daughter of Dr. and Mrs. John Bellucci of Rt. 3, Box 86, qualified when she was third runnerup in the recent Illinois contest at Schaumburg. She was first in her division, for girls 15 to 17 years of age. Participants ranged from 13 to 19.

The Illinois contestants were judged on poise, charm, appearance and their school and church activities.

There was no performing arts contest in the Schaumburg pageant so Jennifer was unable to display her dancing ability. She also sings and plays the piano and guitar.

Jennifer, who will be a sophomore at Antioch High School this fall, danced in variety shows when she was a grade school student at St. Peter's and last year she performed in the Antioch Bicentennial Commission's Colonial Capers show.

The Time Machine

50 YEARS AGO: AUGUST 11, 1927

Tendency to "step on the gas" in Antioch landed 39 motorists in the toils of the law during the month of July, according to Motor Police Frank Valenta's report submitted to the village board last week. Favorite speed of the fellows who were in a hurry was around 35 miles per hour; some opened up for 40, while Theo. Vombrach of Chicago, showed the natives what 50 looked like and paid \$5.00 for the privilege before Judge Tarbell.

Loss last week of 150 chickens of a pure bred strain at the Edward Swift estate, and of lesser numbers at other estates along the lake shore was laid to coyotes or wolves and an organized hunt was planned by residents of the region.

The Ben Hadad home is still quarantined, as the older girl, Virginia, last week came down with scarlet fever just as the family was about ready to fumigate.

Miss Augusta Lehmann has returned from Paris, and is at her home here for the summer.

The new pavement on Lake street was officially opened to traffic Saturday afternoon at 2 p.m. Mayor S.E. Pollock commandeered Wm. A. Rosing's Studebaker car to make the first trip over the new cement.

20 YEARS AGO: AUGUST 8, 1957

Fred Hawkins, Antioch's native professional golf star, today was in the game's richest event - the \$101,200 World Championship at the Tam O'Shanter course near Chicago, after having finished in a tie with three others for fifth place in the National tournament.

His winnings last week were \$1,150, with a score of 281 in rounds of 74-70-68-69.

Student enrollment increases have caused an increase in costs of instruction services, the Antioch Township High School Board of Education stated in support of the request for increases in the educational and building tax rates at a referendum set for Sept. 7.

This year the enrollment was 545. Future projection of enrollment indicated the enrollment next year will be 682, and the year following, 689.

Cool weather that gave a hint of the autumn that isn't too far away, dipped in on Antioch during the past week. A low of 51 degrees was recorded Monday which was the coldest since early June.

10 YEARS AGO: AUGUST 10, 1967

Antioch's Diamond Jubilee has joined the realm of golden memories, rated a huge success by most of the townspeople and others who attended.

An estimated crowd of 10,000 to 12,000 viewed Sunday's parade then crowded the village park for the finals of the Jaycees Beauty Pageant, the beard contest and the Lions Club Chicken Barbecue. Miss Joan Lang was chosen Miss Lake Region Jaycees in Sunday's finals of the Jaycees Beauty Pageant.

LeRoy Marks, 18 years old, the son of Mr. and Mrs. Harold Marks, won the diamond given at Hahn's Jewelry Store to celebrate Antioch's Diamond Jubilee.

Antioch High School for the 12th year, will take part in the High School Concert Band Contest at the 1967 Illinois State Fair.

Antioch High School was the Grand Award Winner in last year's contest, so will not be eligible for the Governor's trophy this year.

Immunization clinic at St. Peter's

A combined immunization, hearing and vision clinic for children will be held Wednesday, Aug. 17, at St. Peter's school, Antioch.

The clinic is conducted by the Lake County health department and will be open from 9 a.m. to 12 noon.

It is an opportunity to get children immunized against polio, diphtheria, whooping cough, tetanus, measles, mumps and German measles and to insure that their hearing and vision is normal.

Preschool and school age children are welcome. There is no charge.

Appointments are not necessary. Parents should bring any past immunization records to help determine the child's needs. For further information, contact the Lake County health department, Waukegan, 689-6761.

Happenings

The former Mrs. Earl C. Pitman of Victoria St., Antioch, has become the bride of William H. Stump in Boynton Beach, Fla. They were married at the Boynton Beach Methodist Church where the pastor, a friend of the groom's, performed the ceremony.

The American Association of University women is forming a chapter in the Chain o' Lakes area. One of the organizers, Mrs. Sally Perl of Lindenhurst, said, "If you have a bachelor's degree or higher and would like information please call 356-8558. A meeting will be held at 7:30 p.m. on Thursday, Aug. 18, in the community room of the First National Bank of Antioch."

Antioch's 885 Club will resume its regular monthly meetings on Monday, Sept. 12, at 8 p.m. at the State Bank of Antioch.

Normally, meetings are held on the first Monday of the month, but in September the first Monday is Labor Day.

THE ANTIOCH CHAMBER OF COMMERCE and Industry Sunday made its annual donation to the Rescue Squad at the Lions Club picnic. Christine Plonke, executive director of the Chamber, hands the check to Rod White of the Rescue Squad.

PERSPECTIVES

Scientism

By DOLALD COLE
Moody Bible Institute, Chicago

Professional critics of the Bible are funny people; in their eagerness to disprove the Bible they sometimes become quite unprofessional.

Miller Burrows, a Yale University archeologist says, "The excessive skepticism of many liberal theologians stems not from a careful evaluation of the available data, but from an enormous predisposition against the supernatural." In another place, the same scholar explains that "in a number of instances (the views of modern critics of the Bible) rest on false assumptions and unreal, artificial schemes of historical development."

The same criticism could be made of those who scoff at the Bible on allegedly scientific grounds. They have in Miller Burrows's words—"an enormous predisposition against the supernatural." Hence, their rejection of miracles. Miracles can't happen, they say; therefore the Bible—which says they did happen—must be false.

This is obviously unscientific. How? In two ways: first, it makes an unprovable statement. How can anyone prove that miracles can't happen? Second, it demands the wrong kind of evidence in support of miracles. Since the miracles done in Bible times cannot be repeated in the laboratory, empirical evidence is out of the question. Bible miracles cannot be observed today. But historical evidence is, or should be, as valid as empirical evidence, and of this kind

there is ample. For example, there is perhaps no event in ancient history better attested than the resurrection of Jesus Christ. The historical evidence is overwhelming. Naturally it cannot be repeated in the lab. But science which demands empirical evidence, i.e. an observed experiment in the laboratory, is unscientific; it rejects valid evidence while calling for what it knows is not and cannot be made available.

This kind of science is better described as scientism, i.e. the cult of those who reject out of hand any and all evidence in favor of the supernatural. It is anti-God and, of course, anti-biblical since the Bible testifies that events unexplainable by the laws of nature actually happened.

True Christians accept the evidence of history. Moreover, they understand why God permitted the working of miracles; it was to attest the genuineness of the message of the Gospel, and its first messengers. As the writer of the Epistle to the Hebrews says, the Gospel "was at the first spoken through the Lord (and) was confirmed to us by those who heard, God also bearing witness with them, both by signs and wonders and by various miracles and by gifts of the Holy Spirit according to His own will."

For nearly 20 centuries the Bible has survived the tests to which unbelievers have put it. On every occasion it has emerged unscathed; all that suffers from an onslaught against it is the reputation of the critic.

Under the national school lunch and special milk program, local administrators have adopted the following family size and income criteria for determining eligibility.

Family Size	Income Free Meals Free Milk	Family Income Reduced Price Meals

Each additional family member 910. 1,420.

The policy has been adopted by Antioch Grade School District 34, the Grass Lake and Emmons school districts, Antioch High School and St. Peter's grade school.

Children from families whose income is at or below the levels shown are eligible for free milk and free or reduced price meals.

In addition, families that do not meet these criteria but

have expenses such as unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses are urged to apply.

Application forms are available at the schools. Some schools are mailing them to homes. The information provided on the application is confidential and will be used only for the purpose of determining eligibility.

Applications can be submitted at any time during the year. In certain cases foster children are also eligible for the benefits. If a family has foster children and wishes to apply for free milk and free or reduced price meals for them, the family should contact the school.

All children are treated the same regardless of ability to pay.

Maxwell Street Days ... shoppers, shoppers everywhere!

At the Shoe Box, owner Lew Simon's T-shirt said "ASK ME" and manager Kenn Nelson's said "I'LL BARGAIN" as they made shopping fun for Darlene De Groot.

The shopping plaza was a busy spot during Maxwell Street Days. Driving around the business district was almost impossible, so people parked their cars and walked and walked, taking advantage of the annual bargains.

Ashland Jewelers on Lake St. had smiles and bargains for Thea Severud of Lake Villa (right) and other customers. Behind the counter (from left) are Debbie Mondrowski, Connie Ries and manager Dennis Johnson.

Jean Koch and Beth Vojtech enjoyed looking at the racks of on-sale clothing outside B-J's Fashions for Men on Main St.

A green and white striped canopy added a festive note to Maxwell Street Days and also offered protection from the rain which interrupted some of the shopping on Thursday and Friday. But Four Squires and other members of the Antioch Chamber of Commerce & Industry said the three-day "sell-a-bration" was a success once again.

Who's that behind those Foster Grants? Of course, it's Marcia Starcevic at the cash register outside Stanley's-Men's Fashions in the Plaza.

New film features Corrie ten Boom

"Corrie: Behind the Scenes with The Hiding Place," a new full-length color release from World Wide Pictures, will be shown at The Antioch Evangelical Free Church, Tiffany Rd. at Highview Drive, on Sunday, Aug. 14. A single showing is scheduled to begin at 7 p.m.

THE HIDING PLACE, a true story filmed in Holland and other European locations, is based on the experiences of Corrie ten Boom, who, with her father, sister and brother, provided refuge for countless Jewish families.

A secret room was constructed in their home as a hiding place for use during Gestapo raids. The ten Boom's activities were discovered, and they were sent to prisons and concentration camps.

According to Kenneth Bliss, director of distribution for World Wide Pictures, The Hiding Place has been extremely well-received, both by audiences and film critics.

"Corrie" was produced to give people who have seen "The Hiding Place" or read her many best-selling books an opportunity to hear her share many of her memories about her life in Holland, her family, and her lifetime of service to others.

Bliss said the film "offers a great lesson in the perseverance of a personal faith in a very dark and trying period of world history. Corrie ten Boom, now in her eighties, has a tremendous vitality, a deep spiritual commitment, and a profound love for her fellow man. We believe we have succeeded in transmitting a part of her zest, personality, and source of strength through this film."

The Rev. Bernard C. Fosmark, pastor of the Evangelical Free Church, stressed that the movie is open to the public free of charge.

"We encourage families to plan to attend together, for what we believe will be a memorable experience," he said.

Antioch High's class of 1927 gathers for 50-year reunion

The reunion of the Antioch High School class of 1927 was attended by 35 people; 16 were members of the class and they were joined by wives, husbands and friends.

The dinner was held at the Cabriole in Libertyville. Glenna Roberts Simpson (Mrs. Philip Simpson), as class president, introduced the program with a toast to six members of the class who have passed away, several members of the class who are ill and unable to attend and all the loyal "champs" of 1927, who made it to the reunion - plus wives and husbands of the class members.

The first item on the program was a tape from E. Morley Webb of Barcelona and Mexico City. Mr. Donald F. Cremin then called on class members, who added to the nostalgic tone of the evening with reminiscences of their high school years and told what they are doing now.

Letters were read from two former teachers, Mrs. Helen Bauck Schneider and Mr. Lynn R. Watson, and from three classmates unable to attend - Mrs. Lena Sebara Robb, Mrs. Marie Rothers Christianson, and Mr. Arnold Shumeson.

Special guests also added a word: Supt. Warren Polley gave greetings from the high school; Mr. William Petty spoke of his long acquaintance with the class members and Miss Cornelia Roberts spoke to the class as a longtime friend.

Mr. Lester Nixon, who retired to a wheel chair and Florida in 1948 (because of arthritis) shared his talents as a magician with the group and presented everyone with

copies of his "Nix Trix" books.

Mr. Nixon's arthritis has not held him down as he has been in The Guinness Book of World Records as the most traveled man in a wheel chair - 119 countries.

A table of displays from the high school days included athletic team photographs, "roaring twenties" pictures, annuals, programs for operetta and vaudeville, and even one of the original graduation dresses.

Those who attended were: Mr. and Mrs. Robert Alvers, Markham; Mr. and Mrs. Donald Cremin, Lake Villa; Mrs. Irma Hauke Hostetler, Antioch; Mrs. Ruth Hauke Holmes, Peoria; Mr. and Mrs. William Hattendorf, N. Redington Beach, Florida; Mrs. Shirley Hollenbeck Murphy and husband Pat, Millburn; Mr. and Mrs. Richard Kennedy, Clearwater, Florida; Mrs. Clara Micheli Goodreds, Antioch; Mr. Lester Nixon and son Tary, Sarasota, Florida; Mrs. Hilma Rosing Lightsey, Antioch; Mrs. Anna Simonsen Ankersberg, Chicago; Mr. and Mrs. A. Philip Simpson, Mundelein; Mr. and Mrs. Paul Thompson, Chicago; Mrs. Edmee Warner Zimmerman and husband Henry, Antioch and Villa Park; Mr. and Mrs. Arthur Wirtz, Antioch and guests Mr. and Mrs. W.C. Petty, Miss Cornelia M. Roberts and Mr. and Mrs. Warren Polley.

"Everyone agreed the evening was a great one and suggested a repeat be planned soon - perhaps next year," said Mrs. Simpson.

The above sign welcomed members of the class of 1927 of Antioch Township High School to their 50th Reunion July 23.

'My Fair Lady' has 2 more performances

"My Fair Lady," the brilliant musical comedy with the English accent by Lerner and Loewe, and directed by Tom Hausman, will end its run at the PM&L Theatre, 877 Main St., Antioch, on Friday and Saturday. Curtain time is 8:30 p.m.

PM&L urges all theatre-goers to make reservations early since seating is limited and the house is being filled each night. Reservations should be picked up by 8:15 the evening of the performance.

The varied sets create the atmosphere for Coyent Gardens, Tottenhouse Court, Higgins' study, the Ascot Pavilion, and the Embassy Ball.

Colorful costuming puts the frosting on the cake, and a lively chorus sings and dances to the delight of the audiences.

Leading the talented cast is Mary Chris LaKome from Lake Zurich as Eliza Doolittle, Bill Misik from Vernon Hills as Prof. Higgins, and Ken Smouse, Antioch, as Col. Pickering.

Don Beveroth from Paddock Lake, Wis., is Alfred P.

Doolittle, Larry Bunton from Wauconda is Freddy Eynsford-Hill, Jeanne McIntire from Antioch is Mrs. Pearce, and Lillian Allen from Antioch is Mrs. Higgins. Other cast members are Rosemarie Walsh, Ricky Apostol, Rick Schram, Lou Jones, Tom Hausman, Dena Fabry, Kathy Boarini, Carl and Alice Scheske, Mike Petersen, Debbie Beno, Dave Krostal, Dino Braglia and George Blanksten.

Also, Dorie Hubbard, Bill Seemann, Dan Deuel, Peter Thelen, Todd Seisser, Lori Rush, Tricia Schaefer, Earl and Barbara Beese, and Irene Hahn.

Betty Beveroth of Paddock Lake is musical director, ElMarie Beno from Wildwood is stage manager, and Ingrid and Chris Lindberg of Antioch are the musicians accompanying the show on piano, electric piano and flute, with David Hahn on drums.

Dukas wins, takes wife on victory lap

George Dukas won his second late model super stock feature of the season Sunday night at the Waukegan speedway.

Dukas took the lead on the third lap from Dennis

Johnson, who had led the first couple of laps.

The only stop during the race was on the second lap when about half of the field spun on the backstretch, sending a number of cars through the infield.

Dave Evans, who had earlier won the trophy dash and fast heat, sustained front end damage which forced him out of competition.

Dukas went on to open up a substantial lead over second place Ted Musgrave, the night's fastest qualifier. Conrad Morgan, Bob Roper and Tom Musgrave rounded out the top five in the 30-lap race.

DUKAS ALSO WON the second heat. He did something unusual while taking his victory lap. He detoured into the pits and when he returned to the track he had his wife, Margaret, on the front of the car. George said his wife has helped him with the car throughout the season and he was showing his appreciation.

Last Saturday's races were rained out.

COMPLETE SERVICE
FOR YOU AND YOUR FAMILY

To Serve The Living

Most people when they make funeral service arrangements in advance of need are thinking primarily of those they will leave behind. In this they are instinctively following the most modern theories of Grief Therapy whose practitioners have concluded that the funeral service rites are actually for the mourners. Most funeral directors have always known this through experience, which is why all our facilities have been built around the idea that our primary function is to serve the living while honoring the dead.

Children who will be entering kindergarten and 5th grade must have their completed health forms returned to the school by the first day of classes, Aug. 30.

Student fees - books, milk and insurance - can be paid at the time of registration.

The Great Antioch Swim Challenge

Tom Kelly, president of the Antioch Savings & Loan Association, is challenging Gordon Volling, president of the Antioch Swim Club's Parents Association, to determine who can swim the most laps in a half-hour at the Aqua Center.

Mr. Kelly is, in fact, going farther than that. He extends the challenge to include any Swim Club parent or, what the heck, even any officer of the club's sponsor, the State Bank of Antioch.

The gauntlet has been flung down!

If defeated, Mr. Kelly will contribute \$100 to the Antioch Swim Club.

If anyone is willing to accept the challenge, seconds will be allowed (even thirds and fourths).

Bank's softball team wins big tournament

The State Bank of Antioch won the 32-team Gesky 12-inch softball tournament in Waukegan by beating some of the finest teams in northern Illinois, starting with the defending champions "The Pit Stop" from Zion, 9-4.

In the following game, the Bankers were paired against the "922 Club of Waukegan," winning 8-4.

In the semifinals the Bankers trounced the Wailers of Evanston 15-4 and, in the championship game, beat the Wailers again for the title, 12-3.

The State Bank team, with a 19 and 4 record, also won a 16-team tournament in Silver Lake, Wis., and took third place in the World Qualifying Tournament in Sheboygan, Wis.

Get rid of the most wasteful part of your air conditioner.

The dirt inside.

Save with regular cleaning.

Your air conditioner does more than just cool. It cleans, too, by filtering dust and dirt out of the air. After awhile, the dirt builds up on the filter, and clogs the air flow. This makes the unit work harder. And that costs you money. Take a few minutes to get rid of that dirt and you'll hold down your operating costs.

How to clean window-unit filters.

Check your owner's manual for specific instructions. If you don't have one, do the following. Pull the plug, and remove the front panel. Lift out the filter and vacuum it. If your filter is made of a spongelike material, wash it in warm water and detergent. Then let it dry, and put it back in place.

How to clean central-unit filters.

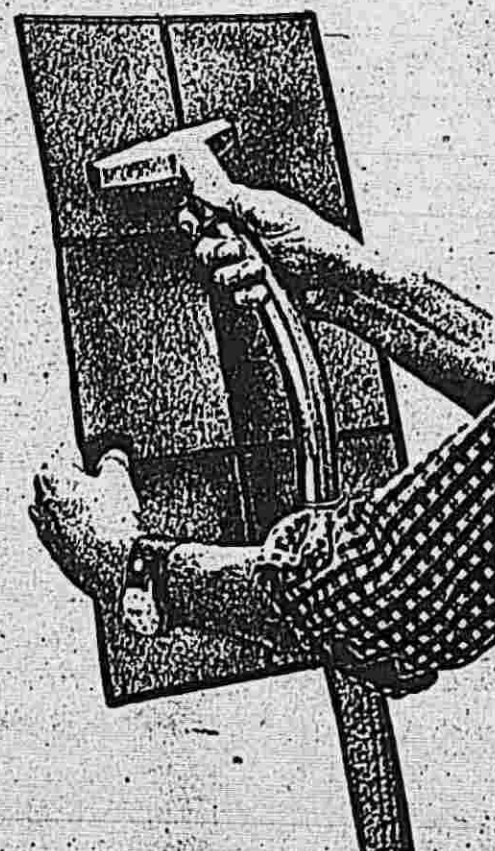

Your central cooling system has a filter, too, usually in the blower section of the indoor unit. Before opening the access panel, turn off

the power. If the filter is reusable, vacuum it. If it's washable, wash it. If you have a throw-away filter, or your filter is too dirty to clean, replace it with a new one of the same size and material (note arrow on side of filter indicating direction of air flow).

If your heating and cooling system has an electronic air filter, be sure to follow the cleaning and maintenance procedures recommended by the manufacturer.

Get professional help when necessary.

Occasionally, your air conditioner's condenser coil, refrigerant charge, or motor may need attention from a qualified serviceman. Maintenance of these parts may be best left to the professional. Remember: the less energy you waste, the more money you save. And a clean air conditioner can save you plenty.

It's Star Record month for Women of Moose

By JERRI POLSON

Star Recorder chapter night was held by the Women of the Moose.

The Star Recorder chairman, June Ballenger, introduced members of her committee as follows: Judy Page, Jerri Polson and the newest Star Recorder, Cheryl Wise, who gave an interesting report of her trip to Florida to receive her degree.

Her mother, Collegian Erna Toft, accompanied her for this honor. Senior Regent Judy Cook presented Cheryl with a charm from the chapter and June presented her with a corsage.

FOUR NEW MEMBERS WERE ENROLLED: Mildred Drnec, Bea and Jeri Wagner, all sponsored by Collegian Karen Bartuska. Arlene Bellefeuille was sponsored by Marilyn Vynalek.

Pillow cases were displayed. They will be sent to Moosehaven in Florida for the senior citizens, who still love the art of embroidery. They will have plenty of pieces to embroider since Star Recorder committees throughout the United States and Canada will be sending them.

Get well wishes were sent to co-workers Marge Hartman, Norma Garvin, Eva Heitz and Maria Rapeke. Hope this finds all on the road to health! Glad to hear that Rose Kennedy has her wrist out of the cast!

Dorothy Anderson was presented her chapter pin after attending three consecutive meetings.

THE EXECUTIVE BOARD will meet at the home of Dorothy Ottenstroer on Thursday.

The Star Recorder chairman for 1977-78, Jerri Polson, announced a bazaar, consisting of bake goods and lovely hand-made items, will be held at the Moose home on Friday, Aug. 12, during the fish fry.

The Star Recorder will be participating in ritual ceremonies at Des Plaines Thursday and Chicago 129 at Bensenville on Aug. 25.

The 42 co-workers present welcomed Collegian Alice Young, who is now residing in Florida.

Meetings are the first and third Thursdays of each month. The next meeting is Aug. 18.

"I was gratified to be able to answer promptly and I did. I said I didn't know."

CHANNEL LAKE CHATTER

By LOUISE GUTOWSKI

The Bjork household was a beehive of activity last week.

On Tuesday it was the scene of a bridal shower for the future Mrs. Timothy Trussell, Tracee O'Mara.

The young couple will be married on Aug. 20 in Twin Lakes, Wis. Tim is the nephew of the Bjorks and the son of former residents Emory and Ruth Trussell of Camp Lake, Wis.

On Thursday they hosted a cookout, but because of rain it became a cook-in, for Carl and Maryann Flowers and daughters Sally and Stacy, of Douglas, Ariz. Maryann and her daughters are summer residents of our area, but it is the first time Carl has been back in 18 years.

Also at the cook-in were Dorothy Olson, Maryann's sister, and the Joe Gutowski family.

Friday evening, they entertained the James Robinson family of Danville, who were in this area to attend the marriage of their son Mike to the Bjork's daughter, Joan.

On Saturday, Joan and Mike were united in marriage at the Evangelical Free Church in Antioch, by the Rev. Bernard Fosmark.

At the marriage the young couple recited vows they had written themselves. A reception followed at the Lindenhurst Civic Center for 200 guests. The delicious buffet supper was prepared and served by the bride's cousin, Clint Bennett, with the help of Cindy and Sherry Irmen, and the wedding cake was done by Mrs. Lorraine Lemke.

CONGRATULATIONS TO CHRIS DE WITT for winning

Sandra MacDonald weds Robert K. White Jr.

The United Methodist Church of Antioch was the setting for the marriage of Sandra MacDonald and Robert K. White Jr.

The Rev. Stephen Williams solemnized the marriage in a 5 p.m. ceremony. The bride is from Antioch and the groom from Arlington Heights.

Honor attendants were Mr. and Mrs. John Laughlin of Wauconda and Dee Ann MacDonald.

Following a small family reception at Antioch Country Club, the newlyweds left for a honeymoon trip to Colorado.

The bride is a teacher at the Antioch Lower Grade School and the groom is employed by TWA at O'Hare Field. They plan to live in Antioch.

Along the way with ANNIE MAE

Sunday's annual Lions Club picnic at Williams Park was a tremendous success.

In the morning it appeared the event would be postponed by rain, but the weather stayed nice all day and a terrific time was had by all.

The Lions Club sold every single chicken dinner they had and we understand the liquor, beer and refreshment stand sold out, too.

The auction seemed to be a success, also, and the money the Lions raised on that will go to the Antioch Rescue Squad.

MAXWELL STREET DAYS last Thursday and Friday were plagued by rain in the afternoon, but most of the businessmen we talked with said the annual Chamber of Commerce event was very worthwhile.

"The shoppers were wonderful," said Kenn Nelson of The Shoe Box. "Despite the rain, they were great."

Big crowds flocked to the downtown area and Orchard Plaza on Thursday and Friday mornings, and more were there on Saturday when the weather was better.

You have to hand it to the Antioch Jaycees. Their dunk tank and corn roast, and the other fun they contribute to events such as Maxwell Street days show that the club has a lot of life and a willingness to make this community even better ... if that's possible.

ONE OF ANTIOCH'S FAVORITE couples, Jim and Phyllis McMillen, will be celebrating their 51st wedding anniversary next Monday, Aug. 15. We'll never forget the lovely party they had last year on their golden

anniversary.

BERNARD AND HELEN GUTOWSKI of Grass Lake Rd. renewed their marriage vows at a Sunday morning mass at St. Peter's Church before Father Francis Johnson. Their children, grandchildren and great grandchildren attended.

Afterwards, a brunch was served at Osborne's Lakeshore Resort. Attending the event were the couple's children, Frank and Jean Benes of Grass Lake, Bernie and Shirley Gutowski of Antioch, Mel and Delores Stillson of DeKalb, Joe and Louise Gutowski of Channel Lake, Barbara and Les Miller of Antioch, and Pat and Ron Serwa of Lake Villa.

Also enjoying the festivities were grandchildren Frank Benes and wife Marge, Liz and Danny Benes, Mike, Tom, Dave and Donna Gutowski, Bernie Stillson and his sister, Mrs. Debbie Hooker. Also, Jeff Gutowski and his wife Cathy, along with Julie, Jim and Jeri Gutowski and Shelly Serwa. Great Granddaughters Jeni Hooker and Kathy Benes were there, too.

Special guests were Father Johnson and Mrs. Jeanette Pachey, who played the organ at the mass. Many happy returns to that fine couple.

ELLEN HUBER, widow of Harold T. Huber, who was supervisor of unemployment compensation benefits for Illinois for many years, is here from her home in Wakefield, Rhode Island, visiting Clara Haling at Grass Lake.

Ellen's daughter, Mae Lindholm, and granddaughter, Carol, came from Davenport, Iowa, and spent several days enjoying the Chain of Lakes with Ellen. The gals especially enjoyed going "dining" by boat at the many fine restaurants on the Chain.

CONGRATULATIONS TO JERRY and Peggy Van Patten, when became the parents of a 10 lb. 5 oz. baby boy Sunday morning.

We understand Ted Smith of Paty's Lounge is doing well at Victory Memorial hospital. He was taken there Sunday by the rescue squad with an apparent heart attack.

Lots of nice people are having birthdays on Saturday, Aug. 13, including Mark Kasik, Neil Lulofs, Dianne Periman, Barb Rush and Julie Ann Cunningham, who will be 7.

Dean Martin is 59 and fermenting.

local travel agent or the airline you will be taking.

For children traveling on a ticket, they are allowed the same as adults. The only different law is with infants who are paying only a percentage U.S. fare and they are allowed one carry-on case.

Be sure and check prior to your arrival at the airport. Many people don't like to have to pay \$20 to \$30 excess baggage free prior to their vacation.

That is one way to get off to a bad start. Go prepared.

The Antioch Swim Team, sponsored by the State Bank, was victorious for the second year in a row in the Antioch Invitational at the Aqua Center Sunday.
